Marketing Tip of the Week

Fund raising; Many organizations rely on fund raising activities to support their programs. Candles can provide a new, innovative, healthy and safe income for these groups! Many groups that have traditionally sold candy and other items are happy to hear that we can provide them with a new way to raise funds and get away from unhealthy treats and a saturated marketplace!

I Present To You Our Revolutionary Candle Fund raising Program;

School Groups -- PTA, booster clubs, class and activity groups, clubs, etc. Sports Organizations -- Little League, soccer, baseball, football, etc. College Groups -- Fraternities, Sororities, business organizations, yearbook and newspaper staffs, etc. Civic & Social Groups -- Jaycees, Lions, Kiwanis, Rotary, Garden Clubs, Women's Clubs, etc. Business Organizations -- Chambers of Commerce, Business & Professional Women, Networking Groups, etc. Church Groups -- Men's and Women's organizations, building committees, etc. Neighborhood Clubs & Homeowners Associations Swim Clubs, Tennis Clubs, Country Clubs, Gyms, etc. -- Swim teams, tennis teams, etc.

Here are a few approaches you can take in regards to fund raising programs and a few tips in setting them up.
